

Dear

Date:

My name is

I live in your area at:

I have Down syndrome and I am a member of the NDSPG Advisory Group.

We are a group of adults with Down syndrome working on policy that impacts our lives.

Our group has been involved in the Down Syndrome Act 2022 from the start.

We have taken part in every step including the Call for Evidence consultations.

We need your help with 2 things please:

- 1) Will you join the APPGDS to represent myself and others with Down syndrome in our area?
- 2) Will you ask the Minister for Care to share the Down Syndrome Act draft Guidance?

Your help means that people with Down syndrome in England can have a better life.

If you would like more information, please contact:
